 Draft Response to comments from the Muscogee Creek Nation - 12-13-2020.docx

---

\*\*\*\*\* draft / deliberative / attorney-client privilege / do not release \*\*\*\*\*

Attached is a link to the revised letter to the Muscogee Creek Nation (MCN) that would transmit responses to comments received from the MCN and the other consulting parties. It reflects comments/edits shared earlier by Mita, Kavita, Katie, and Rosemary, and also addresses what we heard during this morning's meeting. This is intended to be a template that would also be used for the letter to the Choctaw Nation of Oklahoma.

I'll send separately the link to the letter to the Seminole Tribe (i.e., which will be used as a template for the letters to the Poarch and the Miccosukee).
